

A REMINDER: NO MORE THAN ONE PET IS ALLOWED TO BE KEPT IN A UNIT

Pet Owners must walk their pet on a leash. Retractable leashes are NOT permitted. Leashes must not be longer than 5ft. Pet owners are required to curb their pet and immediately clean up any waste made by their pet. Pets may not be tied or otherwise confined outside the unit.

A yearly license for your animal must be obtained from the Township of Lakewood. Please submit this information to the Administration Office on the coupon below. Be sure to include a copy of the license and shot records every year.

Pets must also be registered through "Poo Prints" for a one-time fee of 59.95, which will store your dogs DNA in a database. This service will help LVE maintain cleanliness by holding pet owners accountable for picking up after their pets.

The Board of Trustees is aggressively enforcing this Rule in accordance with the provisions of the LVE Rules and Regulations, PETS ON LVE PROPERTY section, page 8.

Please help us maintain the quality of life in LVE.
